Picture Directory, there have been many asking about the picture directory, Shelly is needing help with pictures and putting it together. She would like a couple of people to help her get this done. They would meet at the school to work on it, and you would need to get with her to set up a work time. You may drop off pictures here at the office or email them to the office and Margie will forward them on to her. Please contact Shelly and talk with her at 573-280-7077. Thank you
